ABOUT ME

I'm Muhammad Usman, a passionate Full Stack Developer with 2+ years of hands-on experience in modern web technologies. Specialized in React.js, Next.js, and Node.js development with a strong foundation in both frontend and backend technologies. I have successfully delivered 20+ projects ranging from simple landing pages to complex full-stack applications. My expertise includes creating responsive, user-friendly interfaces and robust backend systems that drive business growth and enhance user experiences.

EDUCATION

● 2024 - 2024

Full Stack web Development

PNY Traninig, Johar Town, Lahore

● 2019 - 2021
